

DOTO EUROPE LTD

Execution Quality Summary Statement

QUARTER 1 ENDED 31 MARCH 2025

April 2025

About DOTO EUROPE LTD

DOTO EUROPE LTD (“the Company”) is a Cyprus Investment Firm (‘CIF’) which operates under the license granted by the Commission on 12th of April 2021, with authorization number 399/21. The Company’s head office is located at Agias Fylaxeos 1, KPMG CENTER, GROUND FLOOR, 3025, Limassol, Cyprus.

Purpose

This document is called Execution Quality Summary Statement (hereinafter the EQSS) sets out the technical standards for the annual publication by investment firms of information on the identity of execution venues and the quality of execution. The EQSS is a summary of the analysis and conclusions the company drew from its detailed monitoring of the quality of execution obtained on the execution venues where all client orders were executed during the year 2025, covering a full year cycle (the year under review). This document shall be reviewed and accordingly updated on an annual basis and shall reflect the data of the previous year.

Regulatory Framework

The Execution Quality Summary Statement (hereinafter the “EQSS” or the “Statement”) is a statement required under Regulation EU 2017/576 of 8th June 2016 supplementing Directive 2014/65/EU. The EQSS is intended to provide information to investors enabling them to evaluate the quality of a firm’s execution practices by requiring the publication of information about how and where the firm has executed orders during the reference year, covering a full year cycle (hereinafter the “year under review”). This document is solely for its own use and cannot be published elsewhere without the written consent of the Company.

1. Relative Importance of Execution Factors during the Year under Review

When executing clients' orders the Company is required under the relevant regulatory framework to assign relative importance to the following execution factors:

- Price;
- Cost;
- Speed of execution;
- Likelihood of execution;
- Likelihood of settlement;
- Size of Order;
- Nature of orders;
- Market Impact;

For details on how each factor is assessed when executing clients' orders please refer to the Company's Order Execution Policy.

2. Conflicts of Interest

The Company's approach to identifying and preventing or managing conflicts of interest, which may arise during the course of its business activities are set out in the Company's Policy for Managing Conflicts of Interest.

3. Payments or non-monetary benefits made to or received by Execution Venues

The Company does not have in place any arrangements with other execution venues regarding payment discounts, rebates, or other non-monetary benefits.

4. Report on Execution Venues

The information presented below refers to the top five (5) Execution Venues in terms of trading volumes used by the Company for executing the orders of retail clients and professional clients for the Quarter 1(January - March).

Professional clients
